WORTHY PRESIDENT'S MESSAGE:

Cheers and Happy November!

I just returned from Mid-Winter Conference in Grangeville, Idaho. Traveling to different Aerie clubs is very educational. You get to see what different club have, don't have, the challenges they face, the successes they experience, and the community giving and support surrounding their efforts. It is really inspirational. I highly recommend, if you have the time and opportunity, that you attend a district, regional, or state convention. Or better yet, attend the national convention.

A big thanks to our trustees and members that donated their time, effort, and funds to paint our Aerie home. Our newly painted social room looks fabulous.

Another shout out goes to everyone who came out to welcome our Grand Worthy President, John Boyd, and his wife Pam. It was a great evening.

WORTHY SECRETARY'S MESSAGE:

We continue to grow our membership. Thank you to all who have sponsored a new member or reminded past members to re-enroll, because of you we continue to grow. And, thank you for the hospitality shown to prospective members, showing them what it is to be part of our fraternity. Keep up the good work.

WORTHY TRUSTEES'

Kitchen Update & What's Cooking: We are thrilled to announce that the kitchen remodel is officially completed! We are currently working on stocking it up and putting together a versatile menu with something for everyone to enjoy. Stay tuned for food specials coming soon.

Get Involved in the Social Room: There's a lot going on in the social room lately! We have a full lineup of activities planned, so come on down, bring a friend, and check out what's happening.

Stronger Together: A huge thank you to all of our members—our sales are up, and it's all thanks to you showing up and supporting the Aerie. We've also welcomed a lot of new faces recently, so let's make sure we extend a warm FOE welcome to our new members when you see them around.

Building for the Future: Our continued improvements around the Aerie are clearly paying off, and we have even more enhancements on the way. A special shout-out and heartfelt thanks to Ken and Stephanie for their generous donation toward our new gazebos!

We are excited to announce that our Aerie will be **open 7 days a week** again. We will open on Tuesdays with Bingo at 5:30. Bingo is FREE will some fantastic prizes and huge jackpots available. We have had a lot of new faces come in and check us out for it. Stop by and see if you can win!

The social room will be closed a few days over the holidays so make sure you check out the calendar for the dates

MESSAGE: WORTHY JR PAST PRESIDENT:

A little trivia about the Eagles Fraternity! Answers can be found following the calendar.

1) In what year was the Eagles founded?
2) Where was Aerie #1 located, and is it still in existence?
3) When did Idaho State Aerie start?
4) How many Aerie Districts are there in Idaho today?
5) What did the 1985 Idaho State Aerie/Auxiliary donate to the city of Post Falls?
6) How many state presidents have come from District IV to date?
7) How many Aeries in Idaho existed at one time? How many now remain?

EAGLE RIDERS'

Just because the leaves are turning and the weather is getting cooler, does not mean everyone has put their bikes up for the season. Please keep an eye and ear open for our two wheeled brothers.

As the weather turns cooler, the Eagles Riders are returning to the kitchen to raise funds for our charities. Please come out and enjoy our dinners, and help us raise funds for various charities like Toys 4 Tots, Camp Journey, and others. Thank you to all the Riders, Brothers, and Sisters that come out and have fun on the second Saturday of the month, and join us in People Helping People in our community.
